TERMS OF SALE

This sale will be conducted like an auction sale, except that no commission will be charged. If two bids are the same, the first one received will get the goods. In case an unreasonably high bid is received, it will be marked back to within 10 per cent. of the next highest bidder, therefore there need be no hesitancy in bidding all you are willing to pay for any lot.

Bid by number of lot, and *at so much for the lot*, regardless of the number of pieces.

Expressage or registry fees to be paid by the purchaser.

Every coin guaranteed authentic, unless otherwise mentioned.

Terms strictly cash. Unknown parties must remit before purchases are shipped.

Our success in business depends upon our treatment of customers, and as we want your trade we guarantee goods as represented, or they may be returned.

All bids must be in by Mar. 14, 1904.

The condition of coins has been carefully stated, and we have rather under than overrated their fineness.

Priced copies of this catalogue may be ordered at 40 cents each.
